

RIVKAH ROTH

DNM, D.Ac., D.TCM

Registrar, Senior Professor & Course Designer

Rivkah Roth, Doctor of Natural Medicine, Acupuncture, Traditional Chinese Medicine, and Osteopathy (Manual Practice) was born and educated in Switzerland. She has been a student of Natural Health in Europe and North-America since the early nineteen-seventies - formally since 1994.

Rivkah has a strong background in manual and energy based techniques and Traditional Chinese Medicine as well as in Homeopathic approaches and Botanical Medicine. Rivkah has developed and founded the Equi-PRO Technique and Centre for Prevention, Rehabilitation and Optimization, where she maintains a private practice.

Rivkah has developed courses in a variety of fields, and is a published author. She has taught in several European countries as well as in Canada.

Dr. Roth is an advisor to the Examining Board of Natural Medicine Practitioners Canada.
