Dear Medical Professional/Student

This is a letter of introduction to the New Earth College. Thank you for your interest in our Professional Training Programs in Natural Medicine. We have enclosed a copy of our Course Curriculum as well as an application form, and hope you have an opportunity to look over the information.

All the New Earth College (NEC) Training Programs are approved and recognized federally by Human Resources Development Canada and all tuition is tax deductible. Qualified applicants may be eligible for loans and grants from HRDC. The Examining Board of Natural Medicine Practitioners and The Canadian Examining Board of Health Care Practitioners have accredited and approved the NEC. *Students are required to attend class for 20 hrs each week which is considered a full time training program by Human Resources Development Canada.*

The **NEC** is an affiliate of The Open International University for Complementary Medicine, Sri Lanka; therefore, we are able to offer comprehensive Education and recognized certification in the field of Natural Medicine leading to the Doctorate of Natural Medicine[®] (DNM[®]) Diploma.

Professional training programs are of two types:

Academic: Distance Learning and Internship Programs (3 yrs.) in the following areas: Traditional Chinese Medicine, Homeopathy, Biopuncture, Alternative Medicine Principles, Eastern & Western Nutritional Therapy, Herbology & Botanical Sciences, Anatomy and Physiology.

- Segments of this program may be of interest to Professionals wishing to advance in their chosen field or to gain Continuing Education Units (CEU). Diploma granted upon successful completion.

Accredited: This **Professional Training Program (2 yrs.)** is a **POST GRADUATE Training program** in Medical Acupuncture, Biological Medicine, Manual Medicine, Nutritional Medicine and Alternative Medicine. Training is designed for Canadian Medical Professionals, or Foreign Trained Medical Doctors, seeking to enter the Canadian work force, as a Natural Medicine Practitioner (DNM[®]), as well as foreign students seeking to gain new knowledge and skills for use in their own country.

- Prerequisite for training is a medical or paramedical degree (TC – transfer credits) from a similar jurisdiction and willingness to explore new options in the field of Natural Medicine. B.Sc. granted upon successful completion.

If you would like further information please contact us at the above phone number, email or mailing address.

Yours Respectfully,

Prof Dr. June Ann Kelly

MBBS, DO, NMD (Int.)
